Subject: BCSO Car Seat Installations

Date: 6-17-10

The Benton County Sheriff's Office, to better accommodate area citizen needs, will be scheduling appointments to check Child Passenger Safety Seat installations and provide seats as needed at the Benton County Sheriff's Office. Appointments will be scheduled all day on the first Monday and third Friday of every month. Non-English speaking families will be accommodated on Tuesday mornings from 8 AM until 10 AM.

Our hope is that this procedure will offer the best opportunity for families of car seat aged children to be instructed on the correct installation of car seats in their vehicles and proper fitting of their children in the seats. We will also be providing "loaner" seats as needed at no charge.

Appointments can be made by calling the Benton County Sheriff's Office at 271-1008 Monday through Friday 8 AM to 4 Pm.
